

The Good News According To Luke

1. Of all the doctors portrayed on film & TV, who's your favourite fictional doctor & why?
2. Why do you think Luke is keen to present his account of Jesus' life in such a measured way?

To what extent has the 'pace' of your faith journey changed over the years?

Do you think God adapts to our natural pace, or are we called to go at God's pace in our faith?

3. Which, if any, of these three experiences – burdens, inadequacy, loneliness – is an area you might be in need of knowing Jesus' release from? Or is there something else entirely for you?

How do you imagine Jesus' might work in releasing people from these experiences?

4. To what extent do you think people consider Jesus to be joyful? Why is this?

What brings you deep joy in life?

CS Lewis said, 'Joy is the serious business of heaven'. How might we encounter more joy in our faith experience, both individually & collectively?
